**Item 8.01 Other Items.**

Defense Technologies International Corp. announced today that it has completed its initial distribution agreement for the sale of its Passive Portal security units. The agreement with AZTECH Educational Resources of Sun City, Arizona, provides for the manufacture and sale of ten fully operational Passive Portal units. The Passive Portal system uses the 'Earth's Magnetic Fields' with no emissions for detection of dangerous weapons in the educational environment and is considered safe for any person passing through.

AZTECH, for an initial term of 180 days, will become the exclusive licensee to sell to the entire school systems in the State of Arizona and to public and private schools in Clark County, Las Vegas, Nevada. AZTECH will also have the authority to sell on a non-exclusive basis to businesses and other public buildings in the same jurisdictions. The arrangement with AZRECH may be extended by mutual agreement between the parties. AZTECH is a provider of curriculum, training, and equipment in schools from kindergarten through university. It also provides equipment and curriculum available in all of its product categories.

**Cautionary Note About Forward-looking Statements**

Statements contained in this current report which are not historical facts, may be considered "forward-looking statements," which term is defined by the Private Securities Litigation Reform Act of 1995. Any "safe harbor under this Act does not apply to a "penny stock" issuer, which definition would include the company. Forward-looking statements are based on current expectations and the current economic environment. We caution readers that such forward-looking statements are not guarantees of future performance. Unknown risks and uncertainties as well as other uncontrollable or unknown factors could cause actual results to materially differ from the results, performance or expectations expressed or implied by such forward-looking statements.

**SIGNATURES**

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
