

Defense Technologies International Corp. (DTII)

DEFENSE TECHNOLOGIES INTERNATIONAL CORP.

NATIONAL MARKETING CAMPAIGN

EXPANDING SALES ACROSS THE USA and the WORLD

Shareholder Update

Del Mar, California (July 09, 2024) – Defense Technologies International Corp. (OTC: DTII) (the Company) and ***Passive Security Scan Inc.*** (PSSI - the Subsidiary); innovative providers of security technology and systems with broad and diverse applications, embarks on its announced **National Marketing Campaign to expand its sales across the USA and the World.**

Presenting the

The ‘ZERO-RADIATION’

Passive Portal™

- **The Passive Portal** is manufactured by Passive Security Scan Inc., a subsidiary of Defense Technologies International, Inc., at their manufacturing facility in Dallas Tx.
- **The Passive Portal** is the only known Walk-Through Weapons Detection Scanner with **ZERO RADIATION (US Patent 7408461)**

All other Walk-Through Scanners on the market today use technologies that are active sensing, meaning they use Electromagnetic Radiation (X-Ray; Micro-Wave; Radio-Wave, Radar, etc.)

Passive Portal Technology – PASSIVE SENSING – ZERO-RADIATION – Harmless EBT Station (Elevated Body Temperature) – Contact Tracing – Mask Compliance.

- o The Company is looking at the situation in New York to evaluate and present a solution to the City's weapons safety program throughout its public venues.

Forward-Looking Statements This news release contains certain statements that may be deemed "forward- looking" statements. Forward looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are no guarantees of future performance and actual results may differ materially from those in forward looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by law, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
