

Defense Technologies International Corp. (DTII)

**DEFENSE TECHNOLOGIES INTERNATIONAL CORP. (DTII)
adds CARE RESOURCES USA
to its marketing team**

Del Mar, California (May 11, 2022) – Defense Technologies International Corp. (OTC: DTII) (the Company) and **Passive Security Scan Inc.** (the Subsidiary); innovative providers of security technology and systems with broad and diverse applications, are pleased to announce the addition of a new Sales Representative.

The Company is pleased to introduce **CARE RESOURCES USA of Tulsa Oklahoma** as its latest addition to the Company's Sales-Force.

Care Resources is a sales representation firm whose principals have over hundred years of successful experience.

Care Resources under the guidance of Vince Boatright, Paul Tsaras and Russell Boren provides a range of products for businesses including health and safety product such as infection control systems, surgical equipment, products that address environmental issues, and security products and systems. The Company markets and sells products and services nationwide to various target market segments including hospitals and clinics, school systems, mass transit companies' sites and vehicles, commercial airline workers and facilities, and other large businesses in a variety of industries.

At its core, Care Resources is known for being selective and representing products that provide their clients with unique solutions that will all meet or exceed their expectations and providing the results they are seeking.

CARE RESOURCES with its wide reach will increase the awareness of our **Zero-Radiation Passive Portal** walk-through weapons detector and our EBT Camera (Elevated Body Temperature) throughout the nation.

"I am pleased to welcome Vince Boatright, Paul Tsaras and Russell Boren to our Sales-Force and look forward to working with Vince, Paul and Russell to expand the market for our 'Zero-Radiation' Passive Portal weapons detector and our Elevated Body Temperature Camera 'EBT Station'. Vince, Paul and Russell with their background and experience will without any doubt, be a positive addition to our Marketing Force Team and a driving force to secure our company's place for 'Modern' safety and security systems."
Says President *Merrill Moses.*

About DTII and its subsidiary 'Passive Security Scan, Inc' (PSSI).

PSSI is a private Utah Corporation and Subsidiary of Defense Technologies International Corp. (DTII). Passive Security Scan Inc. was formed to bring our **Passive Scanning Technology™** and our **Passive Portal™ zero-radiation weapons and the EBT elevated temperature detection systems** to the market, to improve public safety with a system specifically designed for public and private schools, sports arenas, and other public venues. The **Passive Scanning Technology™** was developed in 2005 and has been continually improved upon with the newest technological advances. The **Passive Portal™** gateway is our newest model in production and ready for the market.

Forward-Looking Statements This news release contains certain statements that may be deemed "forward- looking" statements. Forward looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions,

such statements are no guarantees of future performance and actual results may differ materially from those in forward looking statements. Forward looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by law, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
