**From the President's Office:**

"I am thrilled to announce our collaboration with Pam Harrison, the Business Opportunities Manager of the Georgia School Boards Association. Working directly with Pam is an exciting opportunity for PSSI as proven by our successful Exhibit at the GSBA Conference **introducing our ZERO-RADIATION 'Passive Portal' Walk-Through Weapons Detector.** Impowered through our successful participation on the Conference, we gear up to exhibit, advertise, and sponsor key opportunities aimed at informing all 180 school boards and superintendents in Georgia about our exceptional Passive Portal. Furthermore, as the main sponsor, we proudly participated in the Pre-Conference workshop Developing a Supportive Learning Environment. This relationship represents a significant step forward in promoting safety and security solutions within the education sector, and we look forward to a successful and impactful collaboration that will be repeated in states across our great nation. DTII, through its subsidiary PSSI is on the threshold to spread its wings and carry its Mission across the US and the rest of the World, starting in Alabama and Georgia.

On behalf of the Team of DTII/PSSI I extend our appreciation to Michele and her PSSI Crew for a Job well done." *Eric Forrest President of PSSI*

*"I am most pleased with our success at the GSBA Conference and fully endorse and support Eric's enthusiasm and drive to success for DTII/PSSI. Our Zero-Radiation 'Passive Portal' Weapons Detection System brings more safety to Schools and other Public Venues without harming anyone. My gratitude to Michele and Crew for accomplishing a well-received exhibition and representing PSSI in a professional and pleasant manner." says Merrill W. Moses, President of Defense Technologies International Corp.*
