

## **Defense Technologies International Corp. (DTII)**

**DEFENSE TECHNOLOGIES INTERNATIONAL CORP.**

***Engagement of Investors Relations Group***

***and***

***Shareholder Update***

Del Mar, California (April 03, 2024) – Defense Technologies International Corp. (OTC: DTII) (the Company) and ***Passive Security Scan Inc.*** (PSSI - the Subsidiary); innovative providers of security technology and systems with broad and diverse applications, present the first 2024 shareholder's update.

***PASSIVE SECURITY SCAN INC. is preparing to expand its Marketing Campaign across the entire Country and engaged the services of***

**CAVALLI & ISAACS**

### **Specialists in Investors Relations and Market Awareness**

Richard Cavally was a securities analyst for Charlie Munger and Warren Buffett and over the past several years developed novel, effective investor awareness strategies.

Howard Isaacs was a leading retail broker at numerous brokerage firms in Los Angeles, including Dean Witte and Drexel Burnham, he has established a significant investor following.

The Company is pleased to have signed Cavally and Isaac as their Investor Relations and Market Awareness Partners and to assist the Company to expand its planned National Marketing Campaign.

***"I look forward to working with Richard and Howard of Cavalli & Isaacs. Their assistance to our team will greatly enhance our coming National Marketing Campaign, exposing all corners of the country to our ZERO-RADIATION 'Passive Portal' Walk-Through Weapons Detector. Our 'Zero-Emission' Passive Portal weapons detector and our Elevated Body Temperature Camera 'EBT Station' will bring much needed enhanced security to schools and other public venues,"*** says Merrill Moses, President of Defense Technologies International Corp.

***Despite the past pandemic, we at Passive Security Scan have been working tirelessly to improve our Weapons-Detector Technology to a likely unmatched quality providing much needed increased safety to schools and other public venues***

***The 'ZERO-RADIATION'***

***Passive Portal™***

- **The Passive Portal** is manufactured by Passive Security Scan Inc., a subsidiary of Defense Technologies International, Inc., at their manufacturing facility in Dallas Tx.
- **The Passive Portal** is the only known Walk-Through Weapons Detection Scanner with **ZERO RADIATION (US Patent 7408461)**

All other Walk-Through Scanners on the market today use technologies that are active sensing, meaning they use Electromagnetic Radiation (X-Ray; Micro-Wave; Radio-Wave, Radar, etc.)

**Passive Portal Technology – PASSIVE SENSING – ZERO-RADIATION – Harmless**

## EBT Station (Elevated Body Temperature) – Contact Tracing – Mask Compliance.

**About DTII and its subsidiary 'Passive Security Scan, Inc' (PSSI).**

Defense Technologies Intl Corp. OTC: DTII – is a security technology company known for their Patented '*Passive Scanning Technology*'™ (US Patent 7408461) and their '*Passive Portal*'™, a non-invasive, passive, walk-through advanced body scanner, which detects subtle changes in the Earth's magnetic field caused by the presence of weapons (guns, knives, etc.) that may be concealed by an individual. The Passive Portal produces ZERO-RADIATION and poses no human health risk. For more information please see: <https://www.passiveportal.com/safety>

Forward-Looking Statements This news release contains certain statements that may be deemed "forward- looking" statements. Forward looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are no guarantees of future performance and actual results may differ materially from those in forward looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by law, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
